THROMBOSIS INTEREST GROUP OF CANADA RESEARCH FELLOWSHIP IN THROMBOSIS

Applications are invited for a Research Fellowship provided by the TIGC for 2009-2010. The Fellowship aims to provide support for training in basic, clinical or epidemiologic research in the field of thrombosis at a center of excellence in Canada.

Applicants must be: 1) Canadian citizens; and 2) have a fellowship degree from the Royal College of Physicians and Surgeons of Canada (or equivalent) or the Canadian College of Family Physicians, or have a Pharm. D. degree.

The Fellowship is for 1 year with a salary of \$60,000.

The deadline date for receipt of completed applications is April 30, 2010. Application details are available from the TIGC website: www.tigc.org

This Fellowship is made available through an educational grant from Sanofi-Aventis Canada Inc. and Bristol-Myers-Squibb Canada.
